

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Say, wasn't it nice to have the sun shining when most of us went to work Monday morning -- this was nearly as good as the extra hour of sleep we enjoyed Sunday morning. As we have said before, we like Daylight Saving Time but it just starts too soon and lasts too long.

At least after two years Daylight Saving Time people do not seem to waste as much time now trying to figure out what time it would be if . . .

Next Tuesday will be General Election Day and we hope that every qualified voter will take time out to take care of this important matter. While we hear many people say that they do not care for any of the candidates for president, we still hope that they will vote. Besides the decision as to who will be our next president, there are a number of other important decisions for the voter to make. Eight statewide races are being contested this year and there are 14 proposed constitutional amendments on the ballot.

When you go to vote please be careful and read the instructions before you mark your ballot. There are a few important changes in the ballots this year from what we are used to. As in the primary election, this ballot provides squares where you make an "X" to indicate your choice. While the instructions do not tell you so, your ballot will be counted if you use the old "scratch" method of voting, but if you do you must be careful so that there is no mistake as to your intentions.

The best advice is to just use the "X" and not leave any doubt as to your intentions.

If you want to vote a straight ticket you can just mark an "X" at the top of the ballot beside the party of your choice, but if you do not want to vote a straight ticket do not mark this part of your ballot. When an "X" is marked beside a party the ballot will be counted as a straight vote for the party regardless of how the rest of the ballot is marked, or else the ballot will not be counted at all.

Also please take the time to locate your voter's registration certificate before you go to the polls. While it is possible to vote without it, you will save both yourself and the election clerks a lot of time if you have your certificate with you.

Last week we said that there were only two amendments that we were opposed to, but now we find that there may be a sleeper among the other 12. This is Amendment No. 12 that would give cities and counties authority to issue tax-free revenue bonds to build industrial plants for private corporations.

This one seems to have stirred up quite a bit of last minute opposition.

On the surface it sounds real good and could be a real boon to towns like Hamlin that need more industry. But there appears to be a number of reasons to take a second look at it.

Among the objections to the amendment being voiced by many city officials is that the bonds could be issued without a vote by the people, the program would attract many poorly-financed, marginal industries into the State, the program would open the gate for "fast-buck" promoters, and if the bonds are defaulted, the credit standing of the cities involved could be seriously impaired.

We somehow doubt that this amendment would really be a good thing for Texas. It would appear to be more of a tax loophole than anything else.

We received a nice note from Pat Hughes of Hereford this week asking us to renew his paper. Pat who was assistant football and track coach, and his family moved to Hereford this summer. In his note he said that I guess each member of my family left a little bit of themselves in your fine city.

Chili Supper Planned Here Friday Night

The Hamlin Ex-student Association will sponsor a Chili Supper Friday evening from 5:30 to 7:30 just prior to the Anson-Hamlin football game.

Serving will be in the high school cafeteria. Tickets are now on sale by the Ex-student officers, says the president, Mrs. Robert Fowler. Tickets will also be sold at the door while the supply lasts, she added. Adult tickets are \$1 and children under 12 will be served for 75c.

O. H. Weaver is ticket chairman.

Mr. and Mrs. Fowler are in charge of the supper and Mrs. Herbert Lakey and Mrs. Lanny Foster are in charge of the pie committee. The chairman requests that the pies be at the school by 4:30 p.m.

Current projects are the furnishing of the teachers lounge in the new high school building and a scholarship fund initiated this year.

Date Set for Annual County Livestock Show

The 1969 Jones County Livestock Show is scheduled to be held at Anson at the Jones County Fair Grounds Saturday, Jan. 18, 1969. Hamlin will serve as the host town this year and will be in charge of making arrangements for the show.

Plans were made at a meeting Monday in the vocational agriculture building at Hamlin High School. Attending were the following vocational agriculture teachers: W. L. Medford and Weldon Holbrook, Stamford; Dennis Ellebracht and J. F. Devier, Anson; Don Welch, Lueders-Avoca; Wayne Forrest, Hawley; and T. C. Blaukinnip and Milburn Wink, Hamlin.

No changes were made in existing rules.

Another meeting to make final arrangements for the show is planned for late November or early December.

Nine Area Rural Water, Sewer Projects Ollocated FHA Funds

Congressman Omar Burleson announced today that the U. S. Farmers Home Administration has allocated loan and grant funds to launch construction of 9 more rural community water and sewer systems in the 17th Congressional District.

Burleson said the reservation of funds has been confirmed following action by Congress and the Administration to increase the budget for these rural community improvements this fiscal year.

In addition to \$158 million originally scheduled in the fiscal 1969 budget, The Congressman said, the Administration has given the Farmers Home Administration authority to insure an additional \$50 million in privately-funded loans to small municipal governments and public service districts. The additional authorization follows recent passage by Congress of a bill removing a fixed limit on the agency's insured loan authority for the rural community water and sewer program.

Burleson said the action helps ease a backlog of project applications far exceeding the amount of loan and grant authority originally budgeted for this fiscal year.

All pending projects have been moved up on the waiting list," Congressman Burleson said. "More than first expected can be funded this fiscal year. We also have new hope that projects for which there was no financing in sight can now be considered for funding in the fiscal year beginning next July 1."

TONIGHT'S THE NIGHT FOR GOBLINS--Roxa and Ronnie Reusch will be out tonight with other young "Trick or Treaters" dressed especially for Halloween festivities. Ronnie, 6, wears the disguise of a black cat and Roxa, 4, is a little pink kitten. They are the children of Coach and Mrs. Earnie Reusch, 619 N. W. Ave. J.

Pipers to Play Final Home Game With Anson

The Pied Pipers will host their cross-country rivals, the Anson Tigers, here Friday night in what will be the final home game of the season for the Pipers. Kickoff will be at 8 p.m. in Piper Stadium.

The Pipers will be seeking their second district win after dropping a loop encounter last week to Coleman, 10-0. The Tigers will be trying for their first victory of the season as they are 0-6-1 after dropping last week's contest to Stamford, 27-0. The Tigers own a tie with Ballinger.

Top game of the week in

district play pits Stamford at Winters with Stamford trying to hold on to their unblemished loop record. In other action Ballinger will play at Merkel, and Coleman at Haskell.

In last week's action, Ballinger upset Haskell, 17-15, to stay in the race with Stamford. The tie with Anson is the only mar on the Bearcat record, leaving them a half-game behind the Bulldogs. In other district contest, Winters defeated Merkel, 20-13.

Coach Joe Youngblood told the Booster Club members Monday night that the Pipers had a good workout Monday and that they seemed ready to meet Anson Friday night. He said that Mike Brown and Duane Stewart are out for the season with injuries. Brown hurt his back in the

Merkel game and Stewart broke his hand last week.

Davis Weaver and Charles Pearce have been moved up this week from the Junior Varsity.

Scouting reports indicate that while Anson does not have a big team they do have several big boys. The Tigers like to throw with Quarterback Jim Rye doing a good job of passing. Their top runner is Tailback Tommy Adkins. The fastest boy in the Tiger backfield is Wingback Johnny Garcia who is a good receiver.

Today Last Day For New Residents To Vote In Election

Today, (Thursday) is the final day for voters in the general election or moved into the county on or after May 5 this year to vote. This must be done in the county clerk's office by Nov. 1.

According to new regulations the voter can vote on national and state races but not on local races. If he is in the same congressional or legislative district as before then he can also vote in these races.

In other words, the voter can only vote in the same races that he would have voted on had he not moved. The voter should have his voter registration certificate when he applies for a ballot at the clerk's office.

Hamlin Herald Begins 63rd Year With This Issue

With this week's issue, The Hamlin Herald begins the 63rd year of publication of the weekly newspaper. Today's edition is Volume 63, No. 1.

The production process has been through many changes since the early days of the hand set type. The addition of the Linotype machine for typesetting, and then several types of printing presses were used during the sixty-some years.

Mrs. Leone Brown, Mrs. Ruth Parker and Mrs. Opal Smith spent the weekend in Wellington with Mr. and Mrs. C. T. Hubbard and Mrs. Ola Mae Smith. They attended the Kiwanis pancake supper and a football game Friday night.

Mr. and Mrs. Roger Moore attended Homecoming activities at Trent Saturday.

General Election Vote Set Tuesday

Hamlin voters will go to the polls here Tuesday, Nov. 5, to help decide the next president of the United States as well as the new Governor of Texas, and several other state-wide offices. They will also help decide the fate of 14 proposed Constitutional Amendments.

All of the county voting precincts will be open for this election with Hamlin voters voting in either the City Hall or the Gymnasium. Voters living East of Central Ave. will vote at City Hall and those living on the West side vote at the Gym.

The big election ballot contains columns for the three parties plus a column for write-ins. The Democratic Party is listed first and is the only party with a complete slate of candidates from President down to Justice of Peace. The Republican Party is next with candidates for eight state-wide offices. Next is the American Party with only candidates for president and vice president.

Because his name was filed

too late to be included on the ballot, Curtis LeMay, vice presidential candidate of the American Party is not listed on the ballot. In his place under the name of George C. Wallace is S. Marvin Griffin.

Voting instructions on the ballot this year call for the placing of an "X" in the square beside the voters choice rather than the old method of scratching out those not wanted. Another new feature is a square beside the name of the party so that those

voting a "straight" ticket can place an "X" beside the party of their choice and not mark each individual race. This method can only be used

by those voting for all of the candidates in one party only. To vote a "split" ticket the squares beside the parties must be left blank and marks made in each race.

A complete "Sample Ballot" is printed elsewhere in this issue of the Herald for the readers' convenience.

Hamlin to Change to All Number Telephone Numbers Sunday

All number telephone numbers will be effective in Hamlin at 12:01 a.m. Sunday, Nov. 3.

The present prefix of SPring 4 will be changed to 576.

In most cases, the last four digits of each telephone number will remain unchanged.

However, for technical reasons, numbers between SP 4-1000 and SP 4-1999 will be changed to the correspond-

ing number in the 576- 3000 series.

For example, SP 4-1691 will become 576-3691.

"The seven - digit numbers are part of the nationwide conversion to All Number Calling," said Ben Qualls, acting manager for Southwestern Bell Telephone Company.

He pointed out that the change to ANC is necessary in order to provide more possible telephone numbers.

The conversion of the fourth digit of some Hamlin numbers from 1 to 3 is necessary to pave the way for future telephone advancements, Qualls added.

Show Pig Sale Here Saturday Well Attended

The first annual Pied Piper Farms Show Pig Sale held at the Hamlin Jaycee Building was well attended, according to a representative of the Farm.

The top selling Hampshire and Duroc Boars went to the Trent FFA with the Hampshire bringing \$130 and Duroc bringing \$110. The top Chester White went to Sandy Davis of Lueders for \$160.

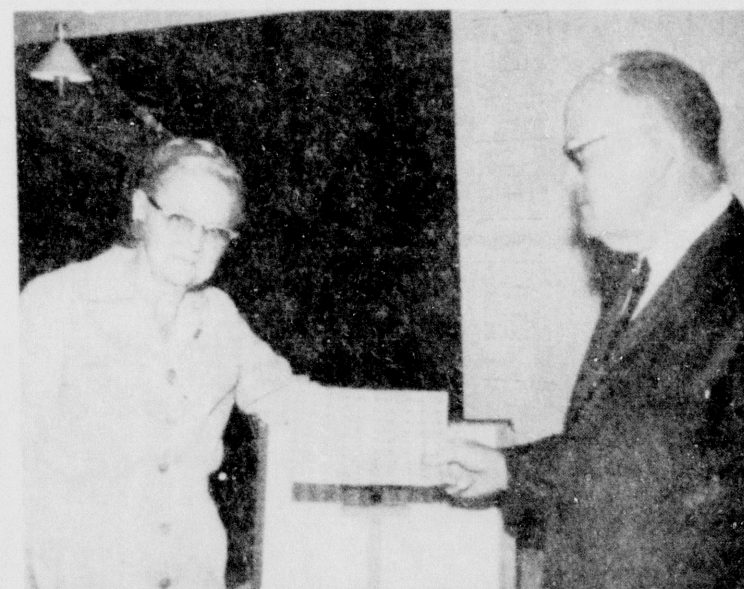

The top selling gilt sold to Dan Trotter of Hereford for \$30. The 60 pigs offered for sale brought an average of \$44 each.

A large number of buyers were on hand from the Plains and a number of buyers were here from Louisiana and New Mexico.

School Pictures To Be Taken Friday

School pictures will be taken at the primary school building Friday, Nov. 1, according to Mrs. Fred Smith, principal.

Parents wishing to have pictures made of their preschool children may take them to the school at 8:30 a.m.

CHAIRMAN RECEIVES FIRST -- The traditional first sheet of TB seals goes to Mrs. Ona High, left, Jones County Christmas Seal Chairman. H. D. Wilka, president of the Association, presents the seals. The annual drive opens Nov. 1. Seals are sent through the mail and Mrs. High urges Jones County citizens to return their contribution promptly to assist in the enormous task of winning a victory over Tuberculosis, emphysema, and other respiratory diseases and air pollution.

Mary Lois Patterson Active Member of H-SU Congress

by Lee Verme

One of the key members of this year's Hardin-Simmons University Student Congress is an attractive 21-year-old Hamlin coed.

One person who has been actively prodding and promoting is Mary Lois Patterson, Student Congress secretary. Active in student legislature since her freshman year, Miss Patterson as a senior is the first scholarship-paid congressional secretary in H-SU history.

"The scholarships are part of the attempt to establish a Student Congress office run

MARY LOIS PATTERSON
... active at H-SU

administrations and handling interschool correspondence. Such routine work, says Miss Patterson, is supplemented by "wherever needed" activities.

"Congress' aim this year is to weed out problems and to be as beneficial as possible to students," says Miss Patterson.

Miss Patterson says that the most outstanding feature of Hardin-Simmons is the students.

"Students are concerned with finding fulfillment in life and seem to be making progress in that direction," says Miss Patterson. Hardin-Simmons students generally seem to have high-caliber ideas and motivations and have genuine interest in other people.

"Some rules are outdated," the Congress secretary observes, "but I am convinced of the administration's concern for students. This interest in individuals on the part of students, faculty and administration helps. It makes it easier for the person to be interested in doing something with himself."

A speech major, Miss Patterson of Hamlin plans to teach or enter graduate school, after graduating in May. Having been selected last year to "Who's Who in American Universities and Colleges,"

Miss Patterson is a member of Alpha Chi, national scholarship society, and Sigma Tau Delta, National literary fraternity. She is also president of Phi Phi Phi social club and president of the Women's Interclub Council. Miss Patterson is a member of the Concert Choir and was formerly a member of the Concert Band and of the Religious Activities Council.

Her parents are Mr. and Mrs. LaFoy Patterson of Hamlin. She is a 1965 graduate of Hamlin High School.

Halloween Theme Used for Ruth Class Meeting

Mrs. Ben Wilcox used the Halloween theme in refreshments and decorations when she entertained members of the Ruth Sunday School Class of North Central Baptist Church Tuesday afternoon.

Mrs. Eddie B. Hopper presided during the business session.

Mrs. M. L. Haught gave the opening prayer; Mrs. Barrie Smith, the Bible quiz; Mrs. G. B. Phillips, the devotion; and Mrs. Bill Stewart, the closing prayer.

The group exchanged secret pal gifts.

Others present were Mmes. George Campbell, V. Madden, T. H. Mason, Eual King, Sid Clay, Henry Piernons, and F. T. Wallace.

Surprise Party Held Monday for A O Ya Ki Ya Girls

A O Ya Ki Ya Camp Fire Group met Monday at the Hut for a surprise Halloween party. They made face masks of net and glitter, prepared candied apples, and played swinging marshmallows.

A new member, Cindy Griffin, makes 24 girls in the group.

Mrs. C. L. White was the honor mother.

At the meeting Monday the girls will make soap gifts for the ill in the hospital. Mrs. Joe E. Ford will be the honor mother.

Mrs. LeCroy to Host Literary Club

Mrs. Douglas LeCroy will be hostess for the Friday afternoon meeting of Woman's Literary Club at 2 p.m.

Mrs. LeCroy will present the international affairs program on the Philippines and other Islands.

Mrs. James Eddie Jay will be program director and Mrs. Bob Craig will give Federation News.

Mrs. Dale Lain and Harvey Elkins were first place winners at the Special Winners Master Point Game held Tuesday night by Hamlin Duplicate Bridge club. Mrs. Garda Ragsdale of Rotan and Mrs. Jack Russell were second; Mrs. G. W. Comegys and Mrs. Preston Morrow of Rotan were third.

Favorite Recipes

This recipe this week is a bit unusual and probably you have made better chocolate cakes but this one could be fun for the kids. Anyway, it is quick and there is very little clean-up.

WACKY CAKE

Put the following ingredients in an UNGREASED 7 x 11 baking pan:
1 1/2 c. flour
1 c. sugar
1/2 t. salt

1 t. soda
1/4 c. cocoa
Stir enough to mix ingredients or you may sift all of them together into the pan. Make three holes in the dry ingredients. In each hole place one of the following items:

1 T. vinegar
1 t. vanilla
1/3 c. oil
Pour 1 c. cold water over the top. Stir a bit. Bake at 350 degrees about 25 to 30 minutes.

NEWS FROM . . .

Old Glory

By JUDY WHITE

Kenneth Jones was named Mr. Old Glory High School, and Judy Sander Miss Old Glory High School, in a recent high school election. Both are seniors. Jones is the son of Mr. and Mrs. Jack Jones and Miss Sander is the daughter of Mrs. Normanda Sander.

Other favorites elected by the student body for the current year were Most Friendly — Reva Letz and Joe Castro; Best Athletes — Rita Balder and Rick Boles; Most Successful — Rebecca Letz and Weldon Spitzer; Most Attractive — Debra Pierce and Steve Letz.

Grade School favorites were 1st and 2nd grade — Debbie Jones and Johnny Barrera; 3rd and 4th grade — Billie Jo Baitz and Pete Castro; 5th and 6th grade — Beverly Neumann and Johnny Denison; and 7th and 8th grade — Linda Neumann and Dale Letz.

Mrs. Lynn Flowers attended the Hamlin School homecoming and visited relatives in Stamford last Saturday. She attended a coffee at the Stamford Country Club honoring ex-teachers. Mrs. Flowers taught in Stamford before she came to Old Glory

and married Mr. Flowers. She enjoyed seeing many of her old friends at Stamford again.

Mr. and Mrs. J. G. Pope of Hempstead were here last weekend visiting her mother Mrs. W. G. Wienke. They were dinner guests in the home of Mrs. Tillie Dippel and Mrs. Bernice White on Saturday evening. They also visited Mr. and Mrs. Ben Klump on Saturday. They spent Sunday in the home of Mrs. Pope's sister and her family, the Garrett Spitzers.

Mr. and Mrs. E. L. Henson of Waco were here Wednesday and Thursday of last week visiting in the home of her sister and husband, Mr. and Mrs. Lynn Flowers.

Judy White, student at Hardin-Simmons University in Abilene, spent last weekend here with her mother, Mrs. Bernice White. Sunday afternoon, Carmen Hoffman, also of Hardin-Simmons, visited here with them.

VARIETY CLUB
The Old Glory Variety Club met Tuesday of last week in the home of Mrs. Charlie Letz. The ladies played "84" after the regular business meeting.

Mrs. Garrett Spitzer will be the hostess for the next meeting. The meeting has been called for Monday, Nov. 4.

Bill Tipton underwent surgery last Thursday morning. He is in Room 5, Stamford Hospital, and is reported to be improving.

4-H
The Old Glory 4-H Club met after school Wednesday of last week. Susan Balder led the motto, pledge and prayer. Debbie Teichmann, club treasurer, reported on the

bake sale held recently. Three new members enrolled in the club. They are Tommy and Brenda Crosson and Johnny Denison. The group enjoyed playing games and then refreshments were served by Wesley Martin, Lynette Meier, and Celinda Vahlenkamp.

Those appointed for the refreshment committee for the next meeting were Billie Jo Baitz, Beverly Neumann and Kathy Wendeborn.

Susan Balder, Reporter. Mike Balder and Gary Moore, students at Navarro Junior College in Corsicana, spent the weekend here visiting their parents.

Other guests in the home of Mr. and Mrs. Oren Balder on Saturday night were Mr. Balder's brother and his wife, Mr. and Mrs. Cecil Balder of Abilene.

administrations and handling interschool correspondence. Such routine work, says Miss Patterson, is supplemented by "wherever needed" activities.

"Congress' aim this year is to weed out problems and to be as beneficial as possible to students," says Miss Patterson.

Miss Patterson says that the most outstanding feature of Hardin-Simmons is the students.

"Students are concerned with finding fulfillment in life and seem to be making progress in that direction," says Miss Patterson. Hardin-Simmons students generally seem to have high-calibre ideas and motivations and have genuine interest in other people.

"Some rules are outdated," the Congress secretary observes, "but I am convinced of the administration's concern for students. This interest in individuals on the part of students, faculty and administration helps. It makes it easier for the person to be interested in doing something with himself."

A speech major, Miss Patterson of Hamlin plans to teach or enter graduate school, after graduating in May. Having been selected last year to "Who's Who in American Universities and Colleges," Miss Patterson is a member of Alpha Chi, national scholarship society, and Sigma Tau Delta, National literary fraternity. She is also president of Phi Phi Phi social club and president of the Women's Interclub Council. Miss Patterson is a member of the Concert Choir and was formerly a member of the Concert Band and of the Religious Activities Council.

Her parents are Mr. and Mrs. LaFoy Patterson of Hamlin. She is a 1965 graduate of Hamlin High School.

Favorite Recipes

This recipe this week is a bit unusual and probably you have made better chocolate cakes but this one could be fun for the kids. Anyway, it is quick and there is very little clean-up.

WACKY CAKE

Put the following ingredients in an UNGREASED 7 x 11 baking pan:
1 1/2 c. flour
1 c. sugar
1/2 t. salt

1 t. soda
1/4 c. cocoa
Stir enough to mix ingredients or you may sift all of them together into the pan. Make three holes in the dry ingredients. In each hole place one of the following items:

1 T. vinegar
1 t. vanilla
1/3 c. oil
Pour 1 c. cold water over the top. Stir a bit. Bake at 350 degrees about 25 to 30 minutes.

Old Glory

By JUDY WHITE

Kenneth Jones was named Mr. Old Glory High School, and Judy Sander Miss Old Glory High School, in a recent high school election. Both are seniors. Jones is the son of Mr. and Mrs. Jack Jones and Miss Sander is the daughter of Mrs. Normanda Sander.

Other favorites elected by the student body for the current year were Most Friendly — Reva Letz and Joe Castro; Best Athletes — Rita Balder and Rick Boles; Most Successful — Rebecca Letz and Weldon Spitzer; Most Attractive — Debra Pierce and Steve Letz.

Grade School favorites were 1st and 2nd grade — Debbie Jones and Johnny Barrera; 3rd and 4th grade — Billie Jo Baitz and Pete Castro; 5th and 6th grade — Beverly Neumann and Johnny Denison; and 7th and 8th grade — Linda Neumann and Dale Letz.

Mrs. Lynn Flowers attended the Stamford School homecoming and visited relatives in Stamford last Saturday. She attended a coffee at the Stamford Country Club honoring ex-teachers. Mrs. Flowers taught in Stamford before she came to Old Glory

and married Mr. Flowers. She enjoyed seeing many of her old friends at Stamford again.

Mr. and Mrs. J. G. Pope of Hempstead were here last weekend visiting her mother Mrs. W. G. Wienke. They were dinner guests in the home of Mrs. Tillie Dippel and Mrs. Bernice White on Saturday evening. They also visited Mr. and Mrs. Ben Klump on Saturday. They spent Sunday in the home of Mrs. Pope's sister and her family, the Garrett Spitzers.

Mr. and Mrs. E. L. Henson of Waco were here Wednesday and Thursday of last week visiting in the home of her sister and husband, Mr. and Mrs. Lynn Flowers.

Judy White, student at Hardin-Simmons University in Abilene, spent last weekend here with her mother, Mrs. Bernice White, Sunday afternoon, Carmen Hoffman, also of Hardin-Simmons, visited here with them.

VARIETY CLUB
The Old Glory Variety Club met Tuesday of last week in the home of Mrs. Charlie Letz. The ladies played "84" after the regular business meeting.

Mrs. Garrett Spitzer will be the hostess for the next meeting. The meeting has been called for Monday, Nov. 4.

Bill Tipton underwent surgery last Thursday morning. He is in Room 5, Stamford Hospital, and is reported to be improving.

4-H
The Old Glory 4-H Club met after school Wednesday of last week. Susan Balder led the motto, pledge and prayer. Debbie Teichmann, club treasurer, reported on the

bake sale held recently. Three new members enrolled in the club. They are Tommy and Brenda Crosson and Johnny Denison. The group enjoyed playing games and then refreshments were served by Wesley Martin, Lynette Meier, and Celinda Vahlenkamp.

Those appointed for the refreshment committee for the next meeting were Billie Jo Baitz, Beverly Neumann and Kathy Wendeborn.

Susan Balder, Reporter, Mike Balder and Gary Moore, students at Navarro Junior College in Corsicana, spent the weekend here visiting their parents.

Other guests in the home of Mr. and Mrs. Oren Balder on Saturday night were Mr. Balder's brother and his wife, Mr. and Mrs. Cecil Balder of Abilene.

NEWS FROM...

Sylvester

By MRS. R. M. BABB

Man. Oh Man. If you stuck your head out the door this Monday morning, I'll bet you got it right back. It was a chilly 36 degrees and isn't warming up too fast. It is getting that time of year.

We are happy to report Mrs. Lois Smith is home and doing real well since surgery in Temple.

Mr. and Mrs. Jim Lanning are in Houston at this time visiting his sister, the McKee Andruses.

Mrs. Roy Kiser has brought her father to her home from the hospital in Hamlin. He is doing fair at this time, but he has been very ill. In the Kiser home this weekend were Mr. and Mrs. Joe Spikes of Abilene.

Mr. John Tartar of Houston visited several days in his daughter's home, the Roy Herrons. I think he rather enjoyed running the tractor for Roy.

Grace Brewer was here one day last week cleaning her house and I believe she plans to spend some time here.

Have you driven to the north side of town lately? Go over and see how Jonah and Nell Self are building on to their house and I understand they plan to brick all of it. It will really be nice.

Mrs. J. E. Tindall is home having been in New Mexico for a couple of weeks.

Mr. and Mrs. Mike Debs and son spent the weekend with her parents here, Mr. and Mrs. Woodrow Lawlis. They attended Homecoming in

Trent, then drove to Loraine to visit with his parents.

Our sympathy to Mrs. L. C. Brown in the loss of her father in Florida this past weekend. Mr. and Mrs. Ernest Wright lived here in Sylvester for many years.

Mr. and Mrs. E. L. Topper, Janetta and Ernest Topper, Bobby Tice and Karen Cook of Odessa were guests in the Donald Forrester home this past weekend.

Mr. John Tankersly of Ft. Worth spent the weekend in the Ernest Kiser home.

Happy Birthday to Mrs. Ella Scott and Mrs. Ezell Whitten.

A number of our citizens drove to Hamlin on Sunday afternoon to help the Milton Kiser's celebrate their sixtieth wedding anniversary.

In the Med Herron home on Sunday were: the Don Rollins family of Carlsbad, N. Mex., the Monk Herron family of Rotan and the Roy Herron family of Sylvester.

Mr. and Mrs. Tommy Early and family of Snyder visited with his parents, the Mutt Earlys, Sunday.

Mr. and Mrs. M. D. Brown spent the weekend in Irving with Wesley and his family. Seems the fair was in full swing and Polly and J. P. just had to take the girls on all the rides.

Mr. and Mrs. James Harvey spent the weekend in Lubbock

and attended the football game while there.

Mr. and Mrs. W. B. Brown are visiting for a few days with the Max Deels in Level-land.

Spurlon Harris is finishing his school in San Diego in November and will be sent to Virginia. Spurlon finished "Boot Camp" and entered electronics school and will soon finish that. We hope he will get a leave on his way to Virginia.

Mr. and Mrs. A. J. Hill, Mrs. Bess Scott and Miss Alice Cross have returned from California, having spent some two weeks just sight seeing and really having a wonderful time.

Mrs. Guy Mauldin has been kinda on the sick list but is feeling better at this writing.

Fall, Winter Good Time to Repair Terraces — SCS

The upcoming fall and winter months would be a good time for farmers to make repairs to damaged and run-down terraces," says Garth McCallum of the Soil

Conservation Service.

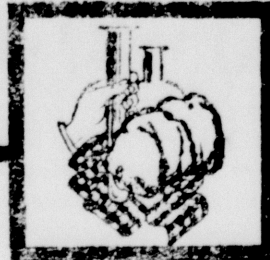

Plans should be made to run up old terraces and make needed fills where water has damaged them. Repairs should also be made to the terrace end blocks which help in holding the water on the land.

Research has shown that an extra inch of water held on the land could mean an extra 20-25 pounds of lint cotton per acre or 80-160 pounds of maize per acre. After a dry period, rain in this area of West Texas usually falls hard and fast, which causes a problem.

According to the SCS, most soils in this area will not take up the water very fast and terraces are insurance of storing more of it in the soil. They also reduce runoff and erosion of the fertile top soil — something which can't be replaced in our lifetime.

Rev. Bob Sena, a local Rotarian, spoke to the Hamlin Rotary Club at the weekly meeting Oct. 16. He explained some of his duties as pastor of the Baptist Mexican Mission and told of some of his plans for the future.

Cotton Pickin's

ROLLING PLAINS COTTON CROPPING IN

The U. S. cotton industry's trend toward longer staple cotton is strongly evidenced by USDA's cotton quality report for upland cotton ginned in the U. S. prior to October 1, 1968. Similar evidence is seen in figures on first ginnings on the Rolling Plains, according to information received this week by Rolling Plains Cotton Growers, Inc.

According to USDA, both the average staple and the proportion stapling 1-1/16 of an inch or longer are the highest on record.

Of the 1,416,000 bales ginned so far this season, almost 80 per cent stapled 1-1/16 inch or longer and the average came to exactly 1-1/16 inch. These figures compare with 73 per cent 1-1/16 inches and longer and an average of 32.6 thirty-seconds of an inch

on this same date last year, when 1,013,000 bales had been ginned.

The October 1 report shows cotton in the 1 inch and 1-1/32 inch staples making up 13 per cent of ginnings as opposed to 26 per cent in the comparable period last season. The percentage of ginnings stapling less than an inch to date has been smallest on record coming to only 6.8 per cent.

Fiber strength of the crop to October 1 is only slightly improved over 1967. Test results indicated the average zero gage fiber strength was 85,000 pounds per square inch against 84,000 pounds at this time last year. Cotton stronger than 90,000 pounds, however, accounted for 21 per cent of ginnings as compared to 15 per cent a year earlier. Sixty-eight per cent of the

Rolling Plains tested has shown over 84,000 PSI, very high for this area.

The average micronaire reading of cotton so far is down a little from last year, from 4.4 in 1967 to 4.3 in the corresponding period this year. Cotton milking below 3.5 comprised 8 per cent of 30 compared with 3 per cent ginnings through September last season.

Cotton in the 3.5 to 4.9 premium micronaire category was equivalent to 82 per cent of the current total against 86 per cent a year ago.

Here on the Rolling Plains a total of 13,672 bales were classed by USDA's Cotton Classing Division at Abilene as of October 11, out of an estimated total crop of about 600,000 bales.

Bue even this small sampling indicated that the trend no longer staples and higher fiber strength is not restricted to areas outside the U. S.

While at this time last year only 3,602 bales had been classed, classing office personnel have observed both staples and strengths running considerably above the level

experienced last year. Area cotton so far has averaged between 31/32 and 1 inch. Ninety-two per cent of the cotton is falling in the 3.5 to 4.9 premium mike range and is unusually high strength.

Small Grain Test Plot Planted On Burnia Reid Farm

A small grain variety and fertilizer plot was established this week on the Burnia Reid farm south of Hamlin, according to County Agent Kirby Clayton, who supervised the demonstration.

Small grains varieties planted were:

WHEAT: Tascosa, Caddo, Scout 66, Sturdy, Crockett, Early Triumph.

OATS: Norwin, New Nor-tex, Bronco, Dubois, Ora, Cornado.

BARLEY: Zora, Cardova, Era.

Rates of fertilizer was also applied to parts of the plot, says Clayton. The plot will be observed in May during the regular small grain farmers field day.

Pipers Fall to Coleman 10-0

The Pied Pipers failed twice to penetrate the Coleman Bluecat goal line defense in the second half Friday night and as a result lost a 10-0 decision in district play.

The Pipers drove to the Coleman four-yard line twice in the second half before giving the ball up on downs. In the first half they moved to the Coleman 25 once and the 24 another time.

A 50-yard run set up the only Coleman touchdown with a first down on the Piper three-yard line. Two plays later they scored on a three-yard plunge. Later in the second period Coleman drove down to the Piper four but a stiff defense made them settle for a field goal on fourth down.

The Pipers received the first break of the game when they recovered a Bluecat fumble on the Coleman 47 and moved down to the 25 only to give up the ball on the 35 on fourth down on a fumble.

After an exchange of kicks, the Pipers fumbled at mid-field with Coleman taking over at their 43. Ricky Smith broke out of the Piper defense and raced 50 yards to the Piper three. He was prevented from scoring on the run when he was caught from behind and knocked out of bounds by Charlie Shira. On second down, Coleman's top ground gainer, Salvador Andrade, powered his way over left end for the score. Robert Horne kicked

the point after.

The Pipers came back after the kickoff and drove from their 31 to the Coleman 24, picking up three first downs in the drive. On fourth down the Pipers were thrown for a nine-yard loss back to the 33.

Coleman marched down the field from the 33 to the Hamlin four and Horne kicked a 21-yard field goal with 25 seconds left in the first half.

The Piper offense came to life in the second half and drove from their 15-yard line to the Coleman seven in nine plays. With a first down on the seven, Spencer Ford carried for two, Robert Bolden was thrown for a three-yard loss and James Asher gained back the three. On fourth down Bolden was stopped at the four.

Shira intercepted a Coleman pass at the Hamlin 37 and five plays later the Pipers were back down on the Bluecat seven. Ford was held for no gain on the first down, on second down he carried to the three and then was thrown

for a yard loss on the next down. Asher's fourth down pass attempt failed and Coleman took over again on the four.

With time running out the Pipers in the last quarter they failed to put together another sustained drive and the Bluecats won their second district game, 10-0.

Pupils of 5C Elect Officers, Patrice Moore President

Pupils of 5C elected new officers for their club last week. Patrice Moore is the new president.

Other officers are Billy Jordan, vice president; Debra Hollis, secretary; Raymond Jordan, treasurer; and Randy Bush, fire marshal.

Best citizens were Patrice Moore and Gerald Rodgers.

Fire Prevention Week was observed by presenting a play called "Careful and Careless." Characters were Careful, Patrice Moore; Careless, Steve Hastings; Match, Gerald Rodgers; Iron, Judy Wilcox; Trash, Debra Hollis; Stove, Connie Deaton; Cigarette, Donnie Nelson; and Firecracker, Jodell Wilder.

Fire Prevention posters were made by each pupil and prizes were given to the best three. Winners were Rick Craig, first; Debra Hollis, second and Patrice Moore, third.

Rotary Club Sees Film On Heart

John Howard presented a film produced by the American Heart Association, "One Fine Day," for members of the Hamlin Rotary Club last Wednesday noon.

The film gave facts on how to avoid heart trouble.

President Max Brown presided and introduced Carl Anderson of Haskell as a guest.

Mr. and Mrs. Willis Paige visited his father, Rev. and Mrs. R. P. Paige and Willie Lee Paige in Timpson over the weekend.

David Sutton Receives Grant At East Texas

David Arnold Sutton, son of H. H. Sutton of Hamlin has been selected as a financial assistance grant recipient after successfully competing against top caliber cadets in the Air Force ROTC program.

Sutton is a student at East Texas State at Commerce. This is his last year in ROTC and upon completion of his master's degree requirements in psychology and Spanish he will likely receive a commission in the U. S. Air Force.

He is a graduate of Ranger High School. An uncle, A. E. Ball, lives in Aspermont.

18 Youth Take Part In CROP Program Monday

Eighteen young people participated in the residential drive for funds for the Christian Rural Overseas Program here Monday afternoon. The area covered was from Northwest Ave. A. to Northwest Ave. J through Fifth Street with \$60.50 being received.

Rev. Marshall Stewart, spokesman for the Ministerial Alliance, sponsors of the event, said that more of the city would be canvassed in the near future.

Those who were missed during the drive may send their contribution to CROP, in care of the Farmers and Merchants National Bank. Rev. Stewart said.

Deadline Nears for Midwest Electric Coop Oratorical Contest

Nov. 8 is the deadline to enter the Midwest Electric Cooperative Government In Action Oratorical contest according to Don Waddell, Member Service Director for the Roby based Cooperative.

The contest is open to any boy or girl at least 16 years of age, but not 18 years of age prior to September 1, 1969. Winners of the contest will join winners of similar contests sponsored by other Electric Cooperatives across Texas on the annual Texas Electric Cooperatives Government In Action Youth Tour to Washington D. C. All expenses for the pair will be paid by Midwest Electric Cooperative.

Each entrant will be required to give a 5 to 8 minute talk on the subject, "Where Do I Go From Here," before a panel of judges. The contest will be judged on basis of knowledge of subject, speaking ability, poise, personality, and appearance.

Stepmother Dies

Mrs. Mamie Brewer of Bogata, stepmother of Elmer Brewer, died at 8 a.m. last Monday in the rest home there.

Services were held last Tuesday at the Church of Christ in Bogata.

Interested young people may obtain an official entry blank from their school or offices of Midwest Electric Cooperative at Roby or Snyder.

Teachers in area schools working with the contest are:

NEW POLYGLAS TIRE FIGHTS SQUIRM ... Gives up to DOUBLE THE MILEAGE OF OUR BEST SELLING TIRES!

GOODYEAR CUSTOM WIDE TREAD!

Two plies of GIANT-SIZE "VYTACORD" POLYESTER CORD
For the smooth, no-thump ride of rayon combined with the strength and durability of nylon. Vytacord — polyester cord specifically developed for tires.

TWO BELTS OF FIBERGLASS CORD
Holds the tread firm on the road... resists squirm... reduces rub-off wear... improves mileage. Pound for pound, fiberglass is stronger than steel — extra protection against bruise damage in the crown area.

LOW PROFILE DESIGN
Utilizes the same type low, broad characteristics of racing tires to produce greater stability and better steering control in the turns and on curves.

WIDER TREAD
Up to 2" wider than conventional tires — puts more rubber on the road for sure-footed stops and starts on wet or dry pavements.

IMPROVED "TUFSYN" RUBBER
A new, improved, long-wearing Tufsyn rubber, toughest rubber Goodyear ever used in tires, adds stamina for mileage and muscular body strength.

Conventional tire parts flex under load. Tread squirms... rubs off like an eraser on paper.

The Polyglas tire sidewalls flex... but the belt plies hold the tread firm... less squirm — more mileage.

The tread of conventional tires tends to squeeze and close up under load. The gripping action of the tread loses its effectiveness.

The tread grooves of the Polyglas tire are more open... enabling the tread to grip better on wet or dry roads.

Neinda Philosopher Wants One Spot In World Used Over and Over As International Trouble Area

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One apparently has a lot of problems on his mind, his letter this week indicates.

Dear editor:

There are too many things to think about in this world and it's getting worse all the time.

For example, I woke up

this morning and the first thing I read in today's newspaper was a headline: Trouble Breaks Out in Panama.

Now up to then I hadn't given a moment's thought to Panama, out side of knowing there's a canal down there, being occupied with the Presidential election, state and local elections, the Supreme Court, Viet Nam, Paris peace

talks, Czechoslovakia, the Israel-Jordan problem for October, Biafra, the astronauts, law and order, a weak battery and winter coming on, high hospital costs in case I get sick, football, in-laws, etc., although these aren't necessarily listed in the order of importance. There are some global problems that can't hold a candle to some in-laws.

The point is, with all the domestic and national problems a man has to deal with, it's unfair to load him down with constantly changing international problems, and once more I call on the world to establish an International Trouble Spot.

Just pick out one place, stock it with reporters and television cameras, and let all the crises occur there. This practice of letting trouble break out helter-skelter around the world, lots of time in countries I never heard of before, is worse than having four different telephone systems in one town. It's gotten so a newspaper can keep one headline set up in type reading: Trouble Breaks Out In Hamlin, and all it has to do is fill in the blank from day to day.

If a man's going to have time to take care of his own business we've got to simplify. We need one country for crises, one university for riots, one city for crime, so a man could go to sleep with not over three major problems on his mind outside of the hundreds of minor ones he has to fend off in his own neck of the woods.

Here comes a neighbor now probably fixing to tell me my cows are out again.

Yours faithfully,
J. A.

Visiting in the home of Mr. and Mrs. Bob Craig and family over the weekend were Mrs. Craig's parents, Mr. and Mrs. T. P. Fincher of Albany.

Examination for Federal Jobs During Summer Announced

WASHINGTON, D. C. — Congressman Omar Burleson said today that the Civil Service Commission is now receiving applications for the 1969 competitive examination for summer employment with the United States Government. The examination leads to eligibility for appointment to most temporary summer jobs at Grades GS-1 through 4, and also Post Office Clerk-Carrier PFS-5.

Those who are interested in the summer jobs covered may apply to take the written test on or before four filing dates — November 6, December 6, 1968 and January 3, January 30, 1969. Representative Burleson stressed that no application postmarked after January 30, 1969, will be accepted. If you miss the last test, you can not be considered for jobs filled by this application and for maximum consideration, you should apply early.

The Congressman noted that last year's eligibles, including those who were selected for a summer job, must take this new examination. The examination provides an opportunity to compete on a merit basis for a summer job. It will last 1½ hours and will measure vocabulary, reading comprehension, abstract reasoning, and table and chart interpretation.

Any application forms needed to apply for jobs described in Civil Service Announcement No. 414 may be obtained from high school counseling offices, college placement offices, most post offices, and Civil Service Interagency Boards.

Copies of Announcement No. 414, entitled "Summer Jobs in Federal Agencies," which provides complete information about summer job opportunities in Federal Agencies is cur-

rently available on request through Congressman Burleson's Washington office, located in Room 2369 Rayburn House Office Building, Washington, D. C. 20515 or at the Congressman's district office, 2101 Federal Building, Abilene, Texas, 79601.

Know Your Target Warns Texas Parks, Wildlife Dept. Official

AUSTIN — "Don't pull the trigger until you identify your target — it may be your best friend," says Robert G. Mauermann, deputy director of the Texas Parks and Wildlife Department.

"Every year, in Texas and the rest of the U. S. hundreds of persons are killed or injured when they are mistaken for game. The 1967 Uniform Hunter Casualty Report from the National Rifle Association indicated 189 persons were killed or injured in the U. S. because of this mistake, Mauermann said.

According to Mauermann, many of these injuries could have possibly been prevented by the victim himself.

"A blaze orange hunting vest could mean the difference between life and death," he said. "Hunters shouldn't overlook this important piece of clothing when they take to the woods this season. A blaze orange vest makes it less likely that the hunter will be mistaken for game."

According to the National Shooting Sports Foundation, Inc., four states — Massachusetts, Iowa, Maine and Colorado — have made blaze clothing mandatory for certain types of hunting.

The Foundation says blaze

Former Resident Killed In Indiana

Marvin R. Yates, 42, former resident of Hamlin, was killed in a car accident in Shepardsville, Ind., Oct. 18.

He is survived by his wife, the former Marie Bioles; one son, Marvin Ray Yates; one daughter, Charlot Fitch; and two grandchildren.

Mrs. R. L. Boiles and sons, Clyde and R. L. Jr., and family attended the funeral last Tuesday in Shepardsville.

ALL NUMBER CALLING

At 12:01 a.m. next Sunday, all Hamlin telephone numbers will be changed from two letters and five numerals to seven numerals.

The present prefix of "SP4" will be changed to "576." In some cases, the last four digits of each telephone number will remain unchanged.

However, for technical reasons, numbers between SP 4-1000 and SP 4-1999 will be changed to the corresponding number in the 576-3000 series.

For example, SP 4-1691 will become 576-3691.

Hamlin thus will join many other Texas cities in conforming with the new nationwide system of numbering known as All Number Calling.

We believe that you will find this new up-to-date numbering system simple and more trouble-free to use, with fewer chances for error in dialing.

And Hamlin, as in the past, will continue to be in the forefront of telephone progress.

FROM THE FILES . . .

FIFTY - ONE YEARS AGO (Files for fifty years ago missing) (November 2, 1917)

A very enjoyable social entertainment was afforded by the Royal Neighbors at the Woodman Hall last Friday night.

This organization is the auxiliary of the Modern Woodmen, and their membership consists of 38 prominent ladies of Hamlin.

A very interesting meeting of the Woman's Literary Club was held Friday afternoon at the home of Mrs. Earl Anderson.

After a short business session the lesson, "Antebellum Writers," was ably led by Mrs. Anderson. Instructive talks on the various writers and literature of this period were given by Mesdames Dolman, Payne, King, Headen, Green, Norris, and Wilson.

F. I. Walker, B. H. Burnham, and Oak Burnham returned Tuesday from the Dallas Fair.

Beginning tonight, Nov. 2, every person going into a picture show must pay a 10 per cent extra as a war tax. Tell your friends and be sure to have an extra lot of pennies. Thus if 20 cents is charged you must pay 22 cents and if 10 cents you must pay 11 cents.

TWENTY-FIVE YEARS AGO (October 29, 1943)

On Thursday afternoon and night of this week, rodeo fever ran pretty high in Hamlin again, after a lapse of several years.

Quietly but effectively for several months past, a bunch of Hamlin livestock-minded men and lovers of the old fashioned features of the rodeo bucking horses, bawling calves and roping contests, have been arranging an arena in the rock-bound baseball field at the City Park. They had carried on several Sunday afternoon practice rodeos the past months till they developed the spirit enough to pull off a real show.

This rodeo spirit was slowly developed through the past months by various fellows who wanted something like that for entertainment. One of the leaders in the movement was Ed Johnson, who lost his life not many weeks ago in a fall off his horse. He gave much time to horses and livestock, and put in much work on fixing the rodeo arena in the park. So as time passed it was decided to form a Rodeo Association. To have it properly based, a set of directors was chosen and they are Dave Herbst, Johnnie Hines and Robert Johnson. The whole thing is just for fun and to keep the rodeo spirit in this community.

The Haskell Indians eked out a 6 to 0 victory over the Hamlin

Foster, Haskell halfback, scored on an off tackle slant from the 2 yard line.

The teams were evenly matched, and but for a bad break against Hamlin, the score might have been 0 to 0.

Mrs. S. D. McMahon spent several days in Dallas this week buying merchandise for McMahon's Jewelry.

Sylvester News--We are indeed proud of our football boys. They won another game on Thursday, over Divide, 18 to 0.

A meeting was held on Tuesday, for the purpose of organizing a local Lions club.

TEN YEARS AGO (October 30, 1958)

Hamlin Lions Club realized a net profit of \$150.56 on the sale last week of brooms and mops made by the blind, according to Ed Croan, chairman of the sales crews when they canvassed the residential and business sections of the city. Proceeds will be used for projects with youngsters with deficient eyesight in the Hamlin community.

Better mail service for Hamlin and community is expected to result from the change in manner of daily delivery and pick-up of mail to and from the region, effective Nov. 1, according to Perry F. Sparks, Hamlin postmaster.

New contract was awarded to C. C. Westfall of Fort Worth last Wednesday by regional post office officials at Fort Worth that will take mail handling from the Santa Fe Railway that has handled the incoming and outgoing mail for more than 50 years at Hamlin.

Nov. 1 trucks will leave Abilene no earlier than 2:45 a.m. and not later than 6:00 a.m. for Hawley, Anson, Hamlin, Aspermont, Swenson, Peacock, Girard and Spur, and return.

Members of Xi Gamma Pi Chapter met last Thursday in the home of Mrs. Weldon Carlton.

Mrs. W. A. Cassle gave an interesting program on "The Sense of Hearing."

A report was given about the book-mobile for Jones County, and the group voted to support the project. It is to be operated in Jones County free for one year. It will make the various communities of the county every two weeks.

PIRATES NEAR?

The jolly roger, the ancient flag of the pirates, threw fear into every ship that sailed the high seas. These armed robbers sought to raid every ship they came across. None was safe when they were near.

The Bible teaches that there is a devil called Satan who is a robber and a thief, who "goes about like a roaring lion seeking whom he may devour." (1 Peter 5:8) But when the pirate threatens, we need not be afraid. We are encouraged by Romans 8:38 & 39: "For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come; nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord."

Our faith in Christ can overcome Satan's fiery darts. Through Him we can overcome all. We invite you to attend the Church of our Lord this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

"Whatsoever Things"

By DONALD E. WILDMON

When was the last time you had a bath? Say you had not thought about it? Well, chances are that if you haven't thought about it someone around you has. For if you neglect cleaning your body for very long it cannot go undetected. Folks near you will know it--if they are clean. We are so made, you see, to keep our bodies clean. And when we fail to do this it goes contrary to nature's laws and the result is kinda smelly to say the least.

Realizing this, some folks have made great gain out of selling materials to keep us smelling good. And this thing that we call the soap industry, with all its connected industries, is relatively new. For soap didn't become a big business until after M. E. Chevreul's classical researches on the constitution of oils and fats early in the 19th century. Of course the process of making soap goes as far back as Pliny (about 50 A.D.) and was farther advanced in the 13th century in France and in the 14th century in England.

We are kinda glad someone started boosting the industry, however. For there aren't many of us that can go too long without a bath. Before long we begin to smell. And then if we wait too long we begin to stink! While we cannot usually smell ourselves, the folks that have to associate with us can get a good whiff.

Now, shall we turn the corner for

just a moment. The Galilean spoke of being clean, you know. Told us that we need to be a clean person. And while He would agree about our bodies being clean, this is not where He put the emphasis. When He spoke of being clean He was talking about our inside.

We said that if we didn't take a bath occasionally we started stinking. We do. And the same law holds true in the higher field of man's being. If we don't take a spiritual bath occasionally we begin to smell. And if we go just a little longer before you know it we stink! Whew! And how! But the big trouble is that we cannot smell ourselves, only those who are clean inside can detect the odor. We go right on thinking ourselves clean and healthy while we are, in reality, getting kinda smelly.

Now if all this seems kinda on the light side and humorous to you, let me assure you that it is no laughing matter to find someone who needs a clean inside and does not know it. For these people, unable to detect any odor, are the hardest people to get to take a bath. And the longer they wait the more they smell.

Looking at the thing in it's fullness, I have come to the conclusion that the Nazarene's Way and soap have a lot in common. Those who need it most use it least.
